MEMORANDUM FOR:

The Secretary of State

The Secretary of Defense

The Director, USIA
The Director, CIA

The Administrator, A. I. D.

SUBJECT:

Maintaining Momentum of Makarios Visit

The President desires that we take full advantage of the momentum generated by the recent visits of President Makarios and other high-level Cypriot officials. In NSAM 98 last September he endorsed the State Department's Proposals for US Action in Cyprus which called for development of an aid program that would give us "the key role" in assisting Cypriot economic development. He realizes that the inexperience of the Cypriot Government has hampered this effort and that it is difficult to find as yet develop-However, with the ment projects suitable for loan support. prospect of an improved Cypriot effort following President Makarios' return, he would like to see our program take definite We should also do all we reasonably shape just as soon as feasible. can toward aiding and encouraging the Cyprus Government to cope with its serious Communist problem.

Specifically, the President is anxious that it live the Cypriots answers as quickly as possible to suggestions they raised during President Makarios' visit -- particularly on assistance to their proposed social insurance program, a possible American university in Cyprus, and water development. Will you therefore report to him by 13 July what progress you feel we have made as a result of the visit and what follow-up steps we are taking to get our aid program moving?
